Rudy Garcia – Phone: (323) 833-8088 – me@rudygarcia.org – www.rudygarcia.org

Date: Tuesday, April 13, 2010

To Whom It May Concern:

My name is Rudy Garcia and I was born in Nogales, AZ and raised in Douglas. I served in the US Army and was honorably discharged, was a steel worker with Bethlehem Steel in California for 20 years until the plant closed, then founded and was Executive Director of the Willie C. Velasquez Center non-profit 501(c)(3) for over 20 years that led to the education and naturalization of more than 100,000 legal immigrants in Bell, CA, initiated and carried out the first successful recall in the US of a TOTAL corrupt city council in Bell Gardens, CA, then became a member of the City Council and then Mayor of Bell Gardens, CA for more than 8 years.

I am writing this letter to express my sincere appreciation and express my recommendation for J.J. Ulrich the Chief Executive Officer of Connecting Us All International and his skilled leadership team. Their team has been an intricate part of my campaign for the US Senate Seat for Arizona. The tools, resources and new skills they have implemented have opened up new possibilities we have been hoping for. My staff looks forward to utilizing these resources to succeed in this campaign and bring the power of the peoples voices back to Washington!

Mr. Ulrich's organization known as Connecting Us All – The Global Giving Network is an organization that I am a proud member of and fully support. This organization is on a global mission to abolish poverty and create abundance through the power of giving to others. We have many issues going on around the world and its going to take people like myself, J.J. Ulrich and organizations like Connecting Us All to step up and make the peoples voices be heard! We cannot afford to wait for another child to go hungry, one more family to be homeless or one more individual to go without their basic needs! Please accept my endorsement of Connecting Us All – The Worldwide Giving Network and support my candidacy for the US Senate.

Sincerely,

Rudy Garcia
Candidate for the US Senate
